### **Please be aware:**

**We cannot guarantee, that every model finds an artist!** But we are keen to find somebody for reliable and anxious models. We further cannot guarantee that you can work with an artist every day. Sometimes it takes a while until the first artists contact you. (The hot phase for searching a model is in spring).

If you did not find an artist before the festival, it is also possible to come to the **“Model Meeting Point”** on site (in the mornings of the main days). A lot of artists still look there for an appropriate model for their work. Meeting point: Daily at 9.00 am at the meeting point in front of the WBF registration office in Klagenfurt.

We are also not able to provide any accommodation during the festival week. All models get free entrance on the festival ground during the main days as well as one copy of the exclusive Photo catalogue with the best pictures of the festival afterwards.

Further many photographers create fantastic photos that they for sure also share with you. – For the registered photographers it is prohibited to publish the pictures in magazines or websites with erotic or pornographic content, further a commercial use not connected to the WBF is only possible with a written approval from the artist and the model.

### **Participation in the Workshops:**

In most cases we can guarantee participation – it is a good possibility to practice being a Bodypainting model in a small private group! Most of the classes have a short photoshooting afterwards.

The world’s best Body- and Facepainters, as well as Make-up artists hold workshops in city centre Klagenfurt. Being someone else for one day and getting in touch with many artists, building friendships and spending a wonderful week together. That is the benefit of participating at the WB Academy. Models are needed sometimes for the full day, sometimes for the half day.

Information about the WB Academy is, can be found under: <http://academy.bodypainting-festival.com/en/>
